Junior Software Engineer

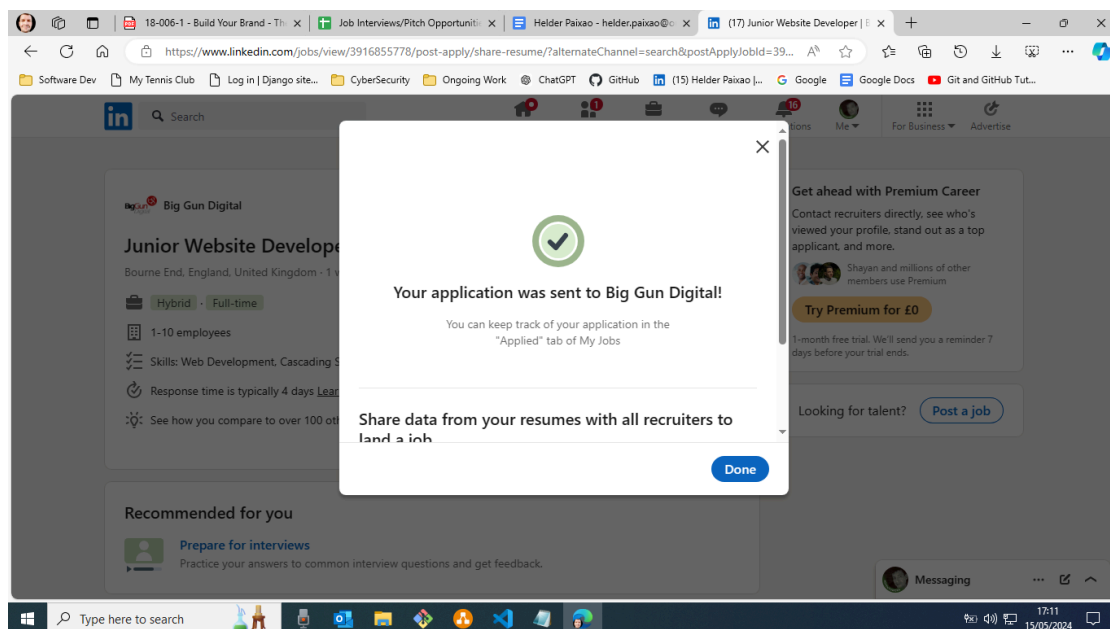

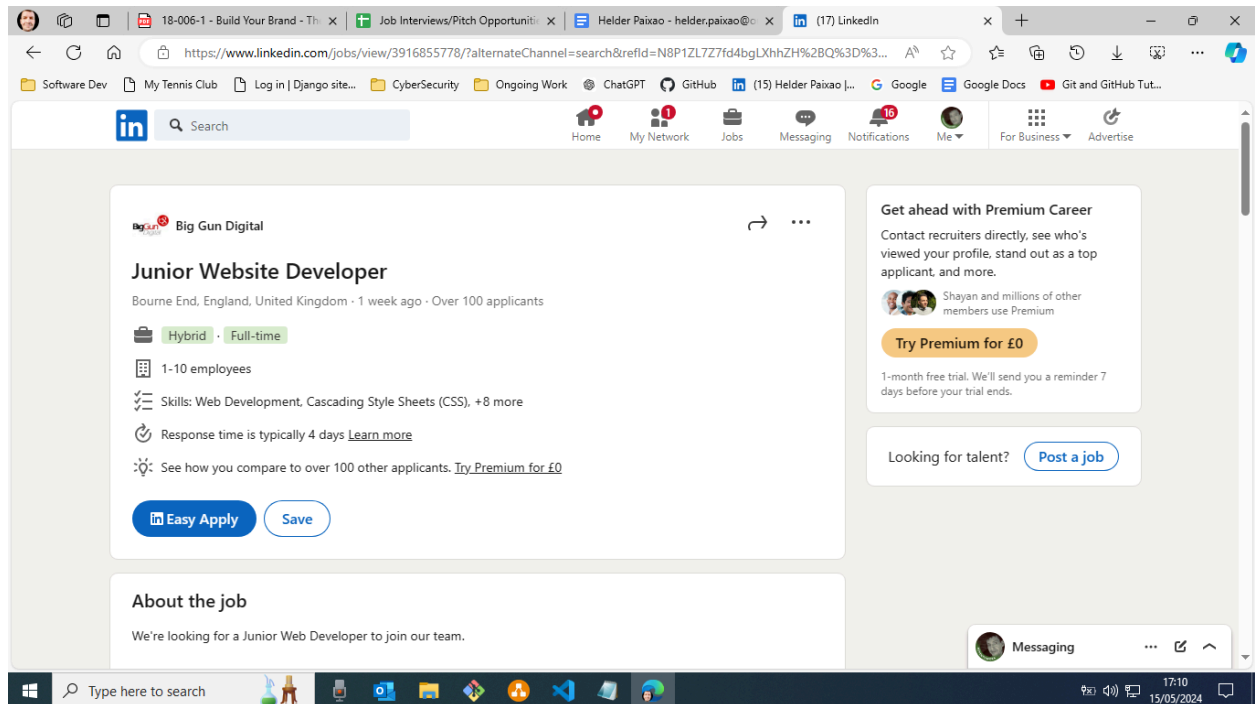

The screenshot shows a LinkedIn job posting for a Junior Software Engineer at Kantar. The job is located in the London Area, United Kingdom, and was posted 4 weeks ago. It has over 100 applicants. The salary range is £25.5K/yr - £30K/yr, and the job type is Hybrid, Full-time, Entry level. The company has 501-1,000 employees and is in the Market Research industry. Skills listed include Problem Solving, Back-End Web Development, and 8 more. A link to 'Try Premium for £0' is provided. The 'About the job' section describes the role as a Junior Software Engineer, focusing on designing, coding, testing, and maintaining software applications and systems, primarily on the backend, and collaborating with cross-functional teams. The interface includes a search bar, navigation links (Home, My Network, Jobs, Messaging, Notifications, Me), and a sidebar with a 'Get ahead with Premium Career' advertisement.

The screenshot shows a LinkedIn job application confirmation dialog. The dialog has a green checkmark icon and the text 'Your application was sent to SUMO!'. Below this, it says 'Next, do even more with your skills' and provides a tip: 'You may have more skills to add to your profile — this could help with future applications.' There is an 'Add skill' button. The background shows a list of job recommendations, including 'Graduate Firmware Engineer' by Leonardo, 'Junior Web Designer' by SUMO, and 'Junior Software Engineer' by Kantar. The interface includes a search bar, navigation links, and a sidebar with a 'Prepare for interviews' advertisement.

<https://www.linkedin.com/jobs/view/3914121128/?alternateChannel=search&refId=N8P1ZL7Z7fd4bgLXhhZH%2BQ%3D%3D&trackingId=An0y3%2FozzInCyEGEaidWFO%3D%3D>

The image is a screenshot of a web browser displaying a LinkedIn job application process. The browser's address bar shows the URL: <https://www.linkedin.com/jobs/view/3914121128/?alternateChannel=search&refId=N8P1ZL7Z7fd4bgLXhhZH%2BQ%3D%3D&trackingId=An0y3%2FozzInCyEGEaidWFO%3D%3D>.

The main content area displays a job listing for "Junior Software Engineer Intern" by "DiverseJobsMatter". The listing includes details such as location (London, England, United Kingdom), date (1 week ago), number of applicants (Over 100), and job type (Hybrid, Contract, Mid-Senior level). It also lists skills (Version Control, Problem Solving, +8 more) and a response time of typically 3 days. A "Try Premium for £0" button is visible.

Below the job listing, there is a section titled "Meet the hiring team" featuring Sebastian Pampanini, Director Of Operations / Talent Resourcing at DiverseJobsMatter.

The bottom part of the screenshot shows a confirmation modal for a job application. The modal has a green checkmark icon and the text: "Your application was sent to Big Gun Digital!". It also states: "You can keep track of your application in the 'Applied' tab of My Jobs". At the bottom of the modal, there is a "Done" button.

The background of the modal shows a job listing for "Junior Website Developer" by "Big Gun Digital". The listing includes details such as location (Bourne End, England, United Kingdom), date (1 week ago), number of employees (1-10), and job type (Hybrid, Full-time). It also lists skills (Web Development, Cascading S) and a response time of typically 4 days.
